

NEW YEAR PROPHETIC SERVICE

Sunday, January 5, 2025

Sammy Robinson | Founder of Voice of Revival

Hey, what's up Bethel Austin. This is Sammy Robinson giving you a prophetic word for 2025 from the very, very, very, very cold, Edmonton, Canada. But my goodness, I had a prolific encounter with you guys in it.

And a couple of days ago, as I was praying for you, the Lord showed me that you were stepping into the year of the greater glory. And in this encounter, I heard the Lord audibly say, "You have not seen anything yet, that there is a move, come on somebody, of the glory of God that is coming to Austin, Texas." And I believe that God has found a place not just to visit, but to abide, and that you are stepping into the abiding glory. And the Lord said that specifically Isaiah 60 was going to be an anthem for 2025. And he said, "get ready because the glory of God is coming over you." And He said there were a couple things that were going to be released that I want to encourage you to put your faith out there, that this year is going to be a year of breakthrough and glory coming to Bethel Austin.

One of the first things the Lord spoke to me was, "When the glory is seen, Gentiles shall come." And I heard the Lord say that there was a move of salvation that was being released in 2025. I saw souls and souls and souls getting saved in this next season. I heard the Lord say, "Get ready." He said, "The harvest that is coming. It is so much bigger than what you could think or imagine." It was just like when Jesus told his disciples to cast the net on the other side and I feel like there's been ministry moments and times and the faithfulness of casting the net, believing God for harvest. And you guys have already seen the harvest. I heard the Lord say in this season there's a greater harvest that is being released. And He said, "It's because of my glory." He said, "Austin is going to become awakened to the glory of God."

The second thing the Lord spoke to me out of Isaiah 60 was this. He said, "The wealth of the nations is going to start to come to you." And I said, "God, what does that look like?" And the Lord spoke to me. He said, "Tell Austin that there is a move of incredible wealth that God is releasing to his church. Tell the people that this is a season of the wealth of the wicked being released to the church in 2025."

And the Lord said this. He said, "It's time to position yourself to ride the wave of heavenly resources that are being released." I heard the Lord say, "You need to start those businesses that you've been prophesied about, that you've been praying about." You need to expand and ask the Lord to increase your capacity to receive this year, because this year will be a year of abundance. Somebody needs to say this with me: "Abundance."

The last thing the Lord spoke to me and I was so excited because I saw something coming to the church and I saw this in the encounter. I saw grandparents and their kids and their kids all worshipping Jesus. And the Lord spoke to me of the promise that was found in Isaiah 60, where your sons and daughters are going to come back from afar. I heard the Lord say, "Part of this next move, for many of you that have been believing God for family revival, that you are going to be filled with joy as the prodigals... and a move of generational revival."

And He said, "Especially watch what God does in the children." I heard the Lord say that 2025, He was going to visit Bethel Austin kids. That kids were going to come under a heavy glory of God. There'd be services where they'd be all laid out under the presence, having encounters. And I heard the Lord say this, "The kids in this next season are going to be a sharp, prophetic mouthpiece of the Lord." And I believe for many of you, your heart is going to be overflowing with joy as you see family revival in your home.

Guys. I cannot wait to see what God's about to do. This is the year of the glory of God, and I truly believe we've only scratched the surface of what God wants to do.

Ask the Lord today: "Expand my capacity. God, I want everything that you have for me." And I believe Bethel Austin, the best is yet to come. This is your season to arise and shine for the glory of the Lord has risen upon you.

Bless you guys. Hope to see you soon. Bye.
